Hi Matt,

I am in training on Thursday and Friday. If Thursday at 10 is the best time for EPA, I can ask Jason Sutter to sit in for me, since I don't want to be the hold up. I am available from about 10:30 until 1:00 today or 12, 1, and 3 tomorrow. Otherwise, please keep this appointment as scheduled so we can move forward. Sorry to be difficult.

Thanks!
